Planned Power Outage in Cape Dorset

Start Date: December 13, 2018
End Date: December 21, 2018
Cape Dorset **45 sec**

Qulliq Energy Corporation (QEC) would like to inform the residents of Cape Dorset that the construction and testing phase of the new power plant will be extended until December 21.

While the corporation will take all measures to avoid any interruption to the community's power supply, short power outages may occur while the new power plant is connected and tested. Customers will be informed in advance of planned power outages through hamlet officials, local radio and QEC's social media channels.

QEC would like to thank the residents for their understanding and apologize for any inconvenience this may cause.
