Planned Power Outages in Cape Dorset

Start Date: October 26, 2018
End Date: November 15, 2018
Cape Dorset **45 sec**

Qulliq Energy Corporation (QEC) would like to inform the community of Cape Dorset that there will be planned intermittent power outages from Wednesday, October 24, to Thursday, November 15. The duration of the power outages may vary from five minutes to an hour and will occur between 8 a.m. and 5 p.m.

These power outages are required to make upgrades to the distribution system and improve reliability. The work will also prepare QEC's system for the connection of the new power plant.

All customers will be notified in person in advance of any power outages.

QEC would like to thank the residents for their understanding and apologize for any inconvenience this may cause.
