Strengthening Nunavut: 2026 Community Donations & Sponsorships Program Update

Start Date: April 23, 2026

End Date: April 23, 2026

Nunavut

60 sec

Qulliq Energy Corporation (QEC) is pleased to share the results of its **2026 Community Donations & Sponsorships Program**, which opened for applications on February 24.

QEC received a total of 50 applications from organizations across Nunavut, each one reflecting the care, creativity, and commitment of Nunavummiut working to strengthen their communities.

Following a thorough review process, **19 applicants were selected** to receive funding, with contributions ranging from \$1,000 to \$5,000. Each application was carefully reviewed by a selection committee and evaluated based on eligibility, alignment with Inuit Qaujimajatuqangit, community impact, project planning, and completeness of the submission. Funding amounts were determined based on the complexity of delivery, anticipated reach, and overall cost breakdown.

While we are proud to support several initiatives through this year's program, the number of requests exceeded the funding available for this initiative. Unfortunately, this means we were unable to support every application.

To all applicants: **qujannamiik, nakurmiik, matna, quana, thank you, merci**. Your work reflects the strength of Nunavut, grounded in community, culture, and care for one another. QEC is proud to support initiatives that uplift wellbeing and bring people together across the territory.
