Qulliq Energy Corporation (QEC) is now offering a paperless billing option that allows customers to receive their monthly electricity bills by email.

To sign-up, please email Customer Care at customer care@qec.nu.ca with your account number and email address. Beginning in November, your electricity bill will go directly to your inbox.

QEC thanks those customers who volunteered to test paperless billing during the trial period. They provided valuable feedback during the development of the program.

Paperless billing is more efficient and convenient for customers. It also reduces administrative costs and environmental impacts of paper billing.
